1. Prize Distribution

a. More specifically in the U23 Division for AYBT Doubles. If **a single** USBC member sanctioned as a youth bowls in the U23 Division, **all** prize money **must** be disbursed as SMART Fund due to USBC Rule 400 protocols. No exceptions.

b. Due to Rule 400 protocols, no cash may be handed out as prize money at the AYBT Adult/Youth event. Ultimately, this means no adult participating in this event will be able to get prize money. All prize fund money from the entry fee will be directed to the youth, who will receive their prize money in SMART Fund.

i. Adults will still receive an award and Brunswick ball of choice.

2. Match Play

a. Match play for the AYBT Adult/Youth and AYBT Doubles will be conducted in baker format.

i. Baker format is a format to where the whole team bowls a single game. In this case, bowlers would alternate frames to complete a single game.

ii. Lineup changes are allowed in between matches, but are not required.

b. There is no alternating of lanes during games. Teams will alternate lanes once the game is completed and continue. Due to this, perform match play to each team alternating turns.

3. Entries

a. At minimum, there must be 4 teams participating in a division in order for the division to run.

i. If the division fails to reach the participation minimum, entrants will have the option to bowl up an age division, bowl in the handicap division, or withdraw from the event.

ii. The tournament directors have the right and will warn that the decision to remove a division from the event will be finalized exactly **14** days prior to the event. This is to allow adjustments for lane assignments and space, and to give enough notice to the bowlers to make a decision from the removed division.
